Re: United States v. Hector Toledo-Fuentes, 09-CR-860

Respectfully Submitted to the Judge Reassigned to This Matter:

I represent Hector Toledo-Fuentes in the above captioned matter and submit this letter motion to request early termination of Mr. Toledo-Fuentes' supervised release.

In 2010, Mr. Toledo-Fuentes pled guilty to his participation in a non-violent drug offense and was sentenced to a mandatory minimum term of 120 months' imprisonment to be followed by five years of supervised release. He was released from prison on August 24, 2017 to a halfway house and thereafter began supervised release in February 2018. Since then, Mr. Toledo-Fuentes has been a model supervisee. He has maintained steady employment as a truck driver since shortly after his release from prison, has never tested positive for drug use and has otherwise been in full compliance with the terms of his supervised release.

I have conferred with Assistant U.S. Attorney Danielle Kudla who indicated that the government consents to the early termination request.

Respectfully,

William C. Komaroff
